NEW FOREIGN MARKET:
You can look for Florida's citrus crystal market to take a booming upswing early in 1956. According to Senate Hearings, the United States Department of Agriculture has just published a set of proposed standards for this new product. Such action is always necessary before any American product is generally accepted on the European market.

What it amounts to is that if the USDA puts its stamp of approval on it, the product will sell. Otherwise it just isn't accepted. The new standards should get final approval by the first of February — at which time the new orange juice crystals should be ready for market. The grapefruit product should be ready shortly after that. This could be a milestone in the citrus industry for Florida — opening new markets for citrus that stagger the imagination.

HOME FOR CHRISTMAS:
Congressman Syd Herlong's recent trip around his district was interrupted by a call to come back to Washington to attend a series of special executive sessions of the House Ways and Means Committee. Purpose of the hearings is to gather material on which to base new tax legislation for 1956.

Hope of the committee: one of the first bills offered to Congress will be a new tax bill. High on list of taxes discussed at these hearings was the excise tax bill. Herlong's chief hope is that his work here will let up time for him to journey to Leesburg with his wife, Mary Alice, and his two high school twins, Sydney and Dorothy, for a real Christmas reunion.

TAKE IT BACK: It looks like Congressman Bob Sikes and Secretary of Defense Charles Wilson are going to lock horns again. This time it is over Wilson's order to lay off a large segment of Navy personnel. Wilson says they must be off by Jan. 1. Sikes has suggested to the Secretary that he let the process of cutting down be a gradual one and that the end of the fiscal year (June 30) be the target date. Instead of firing a lot of people (several hundred in Florida) just at Christmas time, Sikes told Secretary Wilson what he thought the reduction could be made by natural "attrition." That is, when an employee leaves, don't hire a replacement. We predict that in some areas, the Florida Congressman will get Wilson to back down.

CLOSED DOOR HEARINGS:
In Washington last week for special executive session hearings on strategic minerals was Congressman Jim Haley, of Sarasota. Haley is a member of the mines and mining sub-committee of the House Interior and Insular Affairs Committee.

one end to the other on the side of the boat. Naturally, it was not long before they found themselves in the middle of the lake and they had to swim ashore, walk down the dike, and swim again to reach the main land. Mr. Malcolm Thames and Mr. Vernon Henderson took them back out to right their boat and get their kicker. Unfortunately, all of their fishing equipment is at the bottom of the lake.

"Ft. Lauderdale certainly had bad luck in Lake Harbor last week. Two more men from there were going through the flood gates and one had the misfortune to drop his new shotgun overboard. The last we heard it had not been recovered."

Yep, things are certainly humming in Lake Harbor.

To The Editor

FIRST BAPTIST CHURCH
Pahokee, Florida
Nov. 30, 1955

Dear Friends:
Thank you for the space you gave to our Thanksgiving service. You will be happy to know that the sanctuary was filled on that morning and all faiths were represented. It exceeded our expectations in attendance and we feel it was largely due to the place you gave it in your publication.

Yours sincerely,
James E. Boyd

PROTEIN INTAKE IN WINTER FEED VITAL TO CATTLE

GAINESSVILLE—One of Florida cattlemen's winter problems is adequate intake of protein by the herd, says Dr. T. J. Cunha, Florida Agricultural Experiment Station animal husbandry and nutrition department head. Without enough protein, cattle grow poorly and reproduce at a low rate. And protein supplements must be fed properly, Dr. Cunha points out, to be of most use.

Day-to-day protein needs should be met continuously and early, he says, rather than attempting to make up deficiencies of protein with high amounts of protein later in the season.

Several factors govern amounts of protein to be fed. One is condition and size of animal, second, kind and amount of feed being used; and third, the stage and growth of the animal, if the cow is pregnant; or if the cow is lactating, and fourth, time of year.

Cattlemen should study their herds for individual needs of protein, but the needs will vary from one half pound to two and one half pounds of protein supplement (40 percent protein) daily.

Protein feeding should have started in October or November, Dr. Cunha says. The amount gradually increases during the winter, as the need increases.

Depending on herd needs, a general schedule would have started with a quarter pound a day per head in October; a half pound daily Nov. 1 to Nov. 15; a pound daily from Nov. 15 to Nov. 30; a pound and half per head daily in December; two pounds per head daily in January; Feb. 1-15, a pound daily; and Feb. 16 to Mar. 1, a quarter pound per head daily.

The schedule varies according to Florida area, animal condition, feed supply, and amounts of supplement.

Cattle should get their protein daily because they cannot store it for future use. Seven pounds fed once a week is not utilized properly, Cunha said.

STOCK-FEEDER TRIES OWN FEEDING PLANS TO IMPROVE QUALITY

INVERNESS—E. L. Watkins, Florida cattleman, recently explained a feeding system he developed whereby he raises the grades of his feeder cattle. Watkins says he takes 400 to 500-pound calves and pastures them to a weight of 650 to 750 pounds, then puts them on full feed for 120 to 150 days. He says he starts with the best utility and commercial calves he can find, and winds up with good and choice grade animals. He sells his steers at 900 to 1,000 pounds, as this is the carcass size range most desired.

FLORIDA FARMERS TO GO TO AFB FEDERATION MEET

WINTER PARK (special)—Florida farmers will be represented at Chicago next week when the American Farm Bureau Federation holds its 37th annual national convention. Delegations from each of the other 47 states, as well as Puerto Rico, will also be present, when the world's largest agricultural organization convenes at Chicago's Civic Opera House. Due to a membership gain during the past year the Florida Farm Bureau will send three voting delegates instead of the usual two as in previous years. They will be E. H. Finlayson, Jefferson county, president of the organization; Roy Roberts, Jr., Brevard county, and D. A. Cannon, Pasco county, state directors of the Farm Bureau.

Protein feeding should have started in October or November, Dr. Cunha says. The amount gradually increases during the winter, as the need increases.

Depending on herd needs, a general schedule would have started with a quarter pound a day per head in October; a half pound daily Nov. 1 to Nov. 15; a pound daily from Nov. 15 to Nov. 30; a pound and half per head daily in December; two pounds per head daily in January; Feb. 1-15, a pound daily; and Feb. 16 to Mar. 1, a quarter pound per head daily.

The schedule varies according to Florida area, animal condition, feed supply, and amounts of supplement.

Cattle should get their protein daily because they cannot store it for future use. Seven pounds fed once a week is not utilized properly, Cunha said.

COSMETICS AND YOUR SKIN

The correct use of cosmetics enhances an individual's appearance, yet many persons apply layer after layer of some cosmetic preparation forgetting entirely the fundamental principle of cleanliness first. Actually the skin is a mirror of the health of the rest of the body. Many internal diseases are sometimes diagnosed because of the changes seen in the skin. This accounts for one reason why the care of the skin is important.

On the whole cosmetics are not harmful, provided that the true health of the skin, coming from within, is maintained. Some individuals may use certain cosmetics without any harmful effects; on the other hand others using the same cosmetic whether it be cream, lipstick or powder, may react noticeably with skin eruptions, rash, eczema and other uncomfortable irritations. When this occurs, very often the real cause of the trouble is the individual's sensitivity to certain ingredients in the cosmetic used.

Provided there is no individual allergy or sensitivity, a lipstick may provide protection to the weather elements. Lips do not contain the natural protective pigment which produces the tanning of the skin, therefore lips are susceptible to sunburn. A coating, whether it be lipstick or some other lubricant, is a useful preventive against drying and cracking. The same understanding should apply to powder and rouge.

Without exception, it is important to cleanse the skin before retiring, allowing the oil and sweat glands of the skin an opportunity to give off their secretions normally without obstruction. Creams do not nourish the skin, since the true nourishment comes from the blood within. Cosmetics are all right provided they do not produce individual irritation. Bear in mind there is no substitute for adequate rest, a well balanced diet and careful attention to the general hygiene of the body.

XI ALPHA MU BETA SIGS HEAR ABOUT YUGOSLAVIA

Xi Alpha Mu chapter of Beta Sigma Phi of Pahokee met recently at the home of Mrs. Earl Crossman, with the president, Mrs. T. M. Knight presiding. Mrs. I. M. Lair, program chairman, introduced Mrs. and Mrs. Frank M. Minarich, who gave a colored movie of their recent trip to Yugoslavia, with added bits of information about the people and their habits.

In the business meeting, announcement was made of the Florida Beta Sigma Phi convention to be held at the Tampa Terrace Hotel in Tampa in May. Members voted to sponsor a Girl Scout troop, give \$5 to the TB fund, take gifts to the Florida State Hospital, and sponsor audiometer testing of the children in both Pahokee and the school for exceptional children under the chairmanship of Mrs. Crossman.

A progressive dinner was planned for Dec. 17. First course will have Mrs. Rupert Mock and Mrs. Crossman, co-hostesses; second course, Mrs. E. A. Jones; third course, Mrs. T. W. Knight; fourth course, Mrs. Norman Kennedy; Mrs. Curtis Chase; Mrs. Clyde Alley; and fourth course with Mrs. Lewis Friend.

SCIENCE IN YOUR LIFE

Antibiotics in Industry.
Millions of lives have been saved by antibiotics, but these earth-born drugs may also be put to such diverse uses as keeping food fresh longer, prolonging the life of leather, and revolutionizing the cosmetic industry.

Such antibiotics as penicillin, streptomycin, polymyxin and bacitracin are finding startlingly broad applications. By serving as efficiency experts, for example, they may help raise our standard of living. Experiments show the antibiotics make silkworms produce silk more quickly, and speed up the honey output of bees.

Some antibiotics are proving successful in reducing the mildew on surface coatings, and making shoes and purses wear longer. Others are useful in eliminating bacteria that clog up machinery.

In agriculture, antibiotics have been spectacularly successful in creating the production of food animals and crops. Poultry and hogs are being produced more cheaply, because animals raised on an antibiotic-supplemented diet grow faster and healthier and are ready for market sooner.

Agri-mycin field trials were recently conducted by the U. S. Department of Agriculture. The trials proved the effectiveness of this antibiotic combination in drastically cutting down on the bacterial diseases that ravage whole crops.

Current experiments raise hopes that the drugs also will help keep food fresh longer. Terramycin, tested on fish, greatly reduced its "spoilage" rate.

PAUL ROGERS IS BFW FORUM SPEAKER TUES.

Representative Paul Rogers spoke Tuesday evening on "Positive Americanism" at an open forum meeting sponsored by the Belle Glade BFW with the cooperation of various other civic groups.

Rep. Rogers told how to be a "positive American" — to be a positive citizen, taking an active part rather than sitting placidly on the side lines. He said that if a citizen has an idea regarding a piece of legislation which he would like to see effected, he should write to his representative outlining his idea and that if it seems to be good one, it will be passed through proper committees, and other channels.

He said that all congressmen and representatives of the public, whether on a state or a national level welcome ideas from their constituents. Taking an active part in the civic and governmental affairs is essential to positive Americanism.

The Belle Glade schools won an award offered for the group or organization having the largest attendance at the forum. Mrs. Margaret Mosley accepted the award on behalf of the school. It was a book which was used to start a library at the Country Club for the use of various civic groups.

Miss Sara Creech presented Rep. Rogers with a framed award which he accepted saying that he would hang it in his office.

Mrs. Mary Wall (Russia), Frank and Albert Kruse (Germany), G. I. Evans (Wales), Mrs. Rosa Mang (Rumania), Mrs. Guy Wilson (Canada), Mr. and Mrs. Charles Seale (British West Indies), Edwin Best (England), and Dr. Victor Guzman (Peru), were recognized as "Americans by Choice" by Mrs. Imogene Fontaine.

Lake Harbor HDC Meets

The Lake Harbor Home Demonstration Club held its regular meeting Dec. 7 in the Community Methodist Church. Some most interesting slides on her tour abroad with some 4-H Girls were shown by Miss Mary Todd, county home demonstration agent. A social hour and exchange of Christmas gifts followed, with Mrs. Jim Spires as hostess.

MRS. ROBERTS MATRON OF BELLE GLADE OES

Mrs. Winnie Roberts was elected worthy matron of Belle Glade Chapter No. 197, OES, for the coming year at the regular meeting at Benevolent Hall.

Other new officers elected were William Wall, worthy secretary; Mrs. Agnes Baker, associate matron; J. K. Baker, associate patron; Mrs. Dorothy Graber, conductress; Mrs. Marjorie LeFils, associate conductress; William Graber, sentinel; Mrs. Evelyn Allen, secretary; and Robert Allen, Jr., treasurer.

Appointive officers will be announced by the worthy matron-elect, and all officers will be installed in ceremonies the evening of Dec. 23.

Mrs. Mary Livingston and Dr. and Mrs. Victor Mulberg were initiated into the order.

Plans were completed for the official visit of the worthy grand matron of the Grand Chapter of Florida, Miss Esther Livingston of Homestead, on Thursday at 8 p.m. at the elementary school auditorium. Proceeding will be a banquet in her honor at the Municipal Country Club at 6 p.m. Members wishing to make reservations should call the secretary, Mrs. Evelyn Allen at 3223. Mrs. Dorothy Hayes is general chairman for the banquet.

Mrs. Louise Zumpt, worthy matron, was presented with a birthday gift from her officers.

Following the meeting, refreshments were served by Mr. and Mrs. H. E. Jones, Ruby Jones and Mrs. Ruth Beck.

P-C GARDEN CLUB CIRCLES TO MEET TUESDAY

Hibiscus circle of the Pahokee-Canal Point Garden Club will meet at 10 a.m. at the home of Mrs. A. D. Beverly. Co-hostesses will be Mrs. O. R. Bleech and Mrs. F. M. Shaughnessy, and Mrs. J. T. Platt will have charge of the program. Each member is to bring a Christmas arrangement.

Gardenia circle will meet at 2:30 p.m. with Mrs. E. W. Brandes. A. W. Jones will speak on "The Proper Fertilizer for Plants."

Members of both circles have been invited to attend a lecture and demonstration on chromosome-making to be held in Belle Glade at 10 a.m. today.

Mothers Club Meets

The Mothers Club of Belle Glade met Monday evening at the home of Mrs. S. N. Knight. Mrs. Culey Collins had the program on "What To Do if You Are Tired Out." It was followed by a question and answer period.

GIRLS' INDUSTRIAL SCHOOL WILL GET BPW YULE GIFTS

Plans for making up a package of gifts for girls at the Industrial School at Ocala at the Dec. 20 Pahokee Business & Professional Women's Club meeting were made at the club's Tuesday night session.

Meeting at the home of Mrs. Ethel Johnson, members will bring gifts for girls 8-16 years of age to wrap during the social evening. Members will also bring wrapped gifts for the club members' exchange.

In a regular business session at the W. H. Vann Co. Inc. offices, BFW members heard the report of President Bette Pickett that \$19 had been collected for the Mental Health Association and \$40.55 Harvard Dance proceeds given to the school safety patrol for new equipment.

Mrs. Johnson reported on the Girl Scout reorganization movement, and plans were made for a membership status contest.

Mrs. Alma W. Farrow, Mrs. Tommie Lee DuBoise Mrs. John Davis and Mrs. Johnson outlined procedures for an attendance contest, with two teams competing. Mrs. Davis and Mrs. Janet Johnson are co-captains of one team; Mrs. Doris Sasser and Mrs. Allie Okie head the other.

MRS. EVANS, MRS. DAVIS HOSTESSES TO SO. BAY CC

The December meeting of the South Bay Garden Club was held at the home of Mrs. John Evans, with Mrs. Marvin Davis as cohostess. Mrs. Luther Jones of the Belle Glade Garden Club was guest speaker. She spoke on and demonstrated Christmas arrangements. Christmas lighting of the city was discussed and the club voted to donate \$10 on the record player, for the South Bay Youth Center. The January meeting will be at the home of Mrs. Bill Jeffries. Fruit cake with whipped cream and Santa favors were served.

Gas Mileage goes up AGAIN

And so does the thrill
- with Buick's new
Variable Pitch Dynaflow!

WITH ALL the big excitement of Buick's 1956 styling and power and ride and handling—it's easy to overlook this fact:

Gas mileage in the '56 Buicks takes a big step upward. One reason, of course, is the new power plant itself.

Every new Buick cradles an advanced 322-cubic-inch V8 engine with the highest horsepower, Series for Series, in all Buick history. Yet every engine delivers more efficiency, and more usable power to the rear wheels—because each one has a new double "Y" manifold, and a new high in compression ratio.

But the major reason for the happy news in gas mileage—and for the new step-up in safety and thrills—is Buick's latest version of Variable Pitch Dynaflow.

In this airplane-principled transmission, you always had a gas-saving cruising range—and, at a switch of the pitch, a full-power getaway range.

Now Buick engineers have brought to this cruising range what they call "double regeneration." It simply means a new way to make flowing oil add to its own velocity to build up driving force.

Get 4-Season Comfort in your new Buick with FRIGIDARE CONDITIONING — now at a new low price

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

So now, you merely nudge the pedal to part throttle and get new breakaway getaway. And since you get this quicker, safer response in your normal cruising range—where you don't use full power—you get plenty more miles from every tankful of gas.

But when you do need sudden safety-surge for emergencies, you just floor the pedal to switch the pitch. Instantly, you're at full-power acceleration—and it's the most thrilling safety measure in the land.

How about coming in to try the most modern transmission yet?

The absolute smoothness of this new Dynaflow is worth a visit in itself. So you can be sure you're in for a wealth of wonderful surprises—for that's just the start of the best Buick yet. Can you make it this week?

*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

It's the '56 Buick—

Best Buick yet

Weddings and Engagements

McAfee - Davis

Mrs. H. T. McAfee, of Pahokee, announces the marriage of her daughter, Etina Jean, to E. M. (Mac) Davis, son of Mr. and Mrs. Robert M. Davis of Belle Glade.

The wedding took place Nov. 27 at the Pahokee Church of the Nazarene with Rev. Kenneth Price performing the double ring ceremony.

Given in marriage by her father, Mrs. Davis wore a white tulle gown with white tulle and lace and net over white satin, trimmed with white pearls and sequins with a white tulle veil of illusion trimmed in white seed pearls to match her dress. She carried a white Bible topped with a white orchid.

Miss Frances Meeks of Pahokee attended Mrs. Davis as maid of honor. She wore a blue ball-length gown and carried a small bouquet of pink carnations. Eugene Phillips of Belle Glade attended Mr. Davis as best man. Mrs. Eliza Beede of Pahokee played the nuptial music and W. A. Slaughter was soloist.

The mother of the bride wore navy blue with white accessories and Mrs. Davis, mother of the groom, chose red and white. Out-of-town guests were Mrs. Dorothy Bemby and daughters, Linda and Gayle of Cleveland, Mr. and Mrs. Herbert McAfee and daughter Marcella of Cocoa, Julian McAfee of Jacksonville, Mr. and Mrs. L. G. Berryhill and daughter Bonnie, Mr. and Mrs. Jack Torrence of Belle Glade, and Charlie Davis of Savannah, Ga.

Church Activities in The Glades

LUTHERANS MOVE INTO NEW CHURCH

St. Peter's Lutheran Church of Belle Glade will begin conducting services in the new church Sunday, Ervin J. Baumgartner, vicar, has announced.

The congregation has been worshipping in the Woman's Club for the years past. The building program has been underway for many months, and now the members of St. Peter's will enter their new place of worship. The public is welcome, and members of St. Peter's also wish everyone to join them in the forthcoming holidays, the vicar said.

Divine service will begin at 11 a.m. Sunday school is at 9:45 a.m.

Due to the coming Christmas season, the dedication will not take place until January. St. Peter's also conducts confirmation classes at the new church on Mondays and Thursdays at 7 p.m. and Saturdays at 10 a.m. Any persons interested in taking adult instructions may contact the vicar, who lives at 308 N.W. Ave. R. P. Phone 2876.

St. Peter's is located at 308 West Lake Rd. in Belle Glade.

BIBLE SUN. OBSERVANCE SET FOR PAHOKEE METH.

Universal Bible Sunday will be observed Sunday at First Methodist Church of Pahokee with sermons at both morning and evening services by the pastor, Rev. A. D. Houghlin, featuring the Bible as the source of civilization. The pastor will speak Sunday morning on "The Word is a Lamp, and Sunday night on "Is the Bible Scientifically Correct?"

A picture, "Reaching from Heaven" will be shown tomorrow night by the senior M.Y.P. at 7:45. Everyone is invited. The picture presents the church in action in a program of visitation evangelism.

ST. JOHN'S CONGREGATION APPROVES NEW BY-LAWS

At a business session following a potluck supper Sunday evening, the congregation of St. John the Apostle Church approved a constitution and a set of by-laws which now go to the bishop for his approval.

Under the new arrangement a six man, rotating vestry was elected for the coming year: three, Dr. G. R. Townsend and E. M. Lively, two years, Donald R. Parke and E. S. Roberts; one year, Grant E. Averill and W. D. Matthews. No vestryman may be re-elected after his term expires until a year has elapsed.

A mass of requiem was offered on Tuesday morning at St. John's for the repose of the soul of the late Mrs. Annie Beach of West Palm Beach.

In his sermon last Sunday morning, Rev. John Clarence Petrie said the churches of the Catholic tradition do not appeal to blind faith. He said that the existence of God can be proved from reason by many different arguments. The inspiration of the Bible is not to be taken on blind faith, but must be proved by reason, he said. Once its inspiration is proven, then it can be used to prove other doctrines, but not until then.

PAHOKEE BAPTIST WMU CIRCLES TO MEET TUES.

GLADES JEWISH COMMUNITY CENTER

Part II, Story of Hanukkah (From I. Maccabees)

And the days of Mattathias drew near that he should die and he said to his sons: Be ye zealous for the law and give your lives for the covenant of your fathers. Remember what our fathers did in their generations. Was not Abraham found in temptation? He was accounted to him for righteousness? Phineas, our father, for that he was zealous exceedingly, obtained the covenant of an everlasting priesthood. David, for being faithful, inherited the throne of a kingdom for ever and ever. Throughout all the ages none that put their trust in God were overcome. Therefore be strong, my sons, and show yourselves men in behalf of the law; for therein shall ye obtain glory. And he blessed them and was gathered to his fathers.

Then Judah, called Maccabae, rose up in his stead, and all his brethren, aided him, and they fought with gladness for the battle of Israel. He battled like a lion and the awfully strong were slain. He cheered Jacob by his mighty acts, and his memorial is blessed forever. And when all the people feared and trembled at the sight of the great number of the enemy, and said: What? Shall we be able to fight a small company to fight against so great and strong a multitude? Judah answered: With the God of heaven we are all one to save by many or by few. And all the people shall know that there is one who redeemeth and saveth Israel. And Judah led them into battle, and beheld the hosts of the enemy were discomfited before them. And they sang a great deliverance. And they sang songs of thanksgiving, and praised the Lord of Heaven and earth, good and merciful forever. And it was ordained that the days of the Dedication of the Altar should be celebrated, from year to year, for eight days in gladness and thanksgiving.

Scriptural selections will include the following from Psalm 61(1): "He that dwelleth in the secret place of the most High shall abide in the shadow of the Almighty."

BUILDING FUND DRIVE BEGINS AT PAHOKEE BAPT.

Sunday, Pahokee First Baptist Church will launch a building fund drive for an additional \$15,000, the amount needed to complete the building program and equip the new sanctuary.

The campaign to raise \$15,000 will run through Easter Sunday. The church will begin immediately receiving cash and pledges toward this amount. This campaign is being spearheaded by the finance committee of the building program, Chester Batchelor, chairman. Mrs. E. S. Douthett, Mrs. W. M. DuBose, Bill Williams, and Ernest Gamble.

This past Sunday evening, Rev. James Boyd, pastor, began a series of messages entitled "The Lands of the Bible." His first message was on Egypt. Sunday evening the subject will be "Lebanon, Syria, Jordan." Sunday evening, Dec. 18, the theme will be "Judea, Samaria, Galilee." This series of sermons is in actual Kodaslide scenes of Bible lands as they are today. The slides were taken by the pastor in his tour of the Bible lands last summer.

At the supper meeting of the Sunday school teachers and officers Tuesday evening it was pointed out that the Sunday school attendance averaged 287 for November. The goal for December was set at 310. An appeal was made that the Sunday school be organized at Adam's Camp with the superintendent, James Merrell and Miss Nina Briggs teaching. Another class is being started at the State Road Camp.

The annual Christmas party and program in the Sunday school has been set for Friday, Dec. 23.

BG GIRL SCOUTS, BROWNIES

Mrs. John Tabit, assisted by Mrs. LeChance, took the Girl Scouts from the fifth grade intermediate troop on a hike and cookout to the dike on Saturday morning. Sixteen girls enjoyed cooking hot dogs, beans, hamburgers, and a great variety of other food on the Buddy burners which they had previously made under Mrs. Tabit's instruction. They also fished from the dock. Prior to the hike on Saturday, Mrs. Tabit met with them at their regular meeting time on Thursday, and they learned to make blanket rolls, and how to lay and follow a trail.

This week the girls met with Mrs. James Ball, and worked on their Christmas play, and also received instruction from Mrs. E. A. McCabe in the field of homemaking.

Mrs. James Wierengo, assisted by Mrs. George LeCost, Mrs. Herbert Chapman, and Mrs. J. A. Ponder, met with the second grade Brownies Tuesday afternoon. They sang Christmas carols, and learned a bout

Christmas customs in other countries. They also learned folk dances of other lands, and worked on the Christmas gifts they are making.

Mrs. Richard Hodges' third grade Brownie troop met Wednesday afternoon and worked on paper flowers, and heard the Brownie story. They have also been making doll beds from cigar boxes, and have them nearly completed.

Mrs. Victor Mulberg took the fourth grade Brownies on a hike to the dike for their meeting on Monday afternoon. The girls carried nosebag lunches which they ate at the dike. They played games and had a spelling bee. Attending were Julie Abel, Cherry Bridges, Rachel Collier, Patsy Dooley, Martha Heath, Marion Sue Lanier, Anita Peacock, Glenice Raulerson, Sandra Tillman, Phyllis Whithurst, Marilyn Rabin, June Nestor and Joan Fortenberry.

Dexter, McCurdy Get Fair Tasks

BELLE GLADE — At the Everglades Fair committee meeting Monday evening at the Chamber of Commerce, Vernon Dexter was appointed chairman of the utilities committee, and Charles McCurdy, principal of the colored schools was appointed to be in charge of exhibits by those schools at the fair.

Dexter gave all records of past Everglades Fairs to the committee, these records to be filed at the Chamber office. A letter from Miller Amusement Enterprises was read in which the company offered its services, advice, etc. to the committee.

Dr. R. J. Allen, Jr. presented a scale drawing of the site. It was tentatively agreed that most of the exhibits could be placed inside the permanent building, with one or two tents being erected is necessary for the remainder of the exhibits. Parking at the fair will be free, and Boy Scouts will be on hand to assist.

Cattle Exhibit Talked
Sam Lovell said that he would meet with the FFA advisers on Wednesday and would invite cattle exhibitors from the coast, hoping that dairy cattle would be included.

A special event chairman will be appointed. Plans were discussed for the crowning of the Fair Queen as to when and where such should take place. Vernon Clark was appointed

parade committee chairman. Mrs. Robert Riley presented a check for \$5 from the local American Legion auxiliary to be put into the committee's incidental fund. This year's fair will be during the week of April 10.

STALLED ARMORY FUNDS START IN '56: SMATHERS

Federal Funds to help pay construction costs of a National Guard Armory at Belle Glade are expected to become available in January, it was announced this week by Sen. George Smathers.

He advised the County Commission that the request for federal funds for several armories, including the one at Belle Glade, will be processed after the first of the year. The armory program was halted several weeks ago when federal funds allotted to the project were frozen in Washington, D.C. The \$15,000 fund made available from county money, an allotment from the City of Belle Glade, state and federal funds.

Burned Baby Progressing

PAHOKEE — Condition "good" was Everglades Memorial Hospital's report yesterday on Patsy Meredith, two-year-old daughter of Mr. and Mrs. Joseph Meredith. Patsy sustained third degree burns all up her left side when she climbed on the kitchen range and turned on the gas, which ignited her dress.

BETA CLUB INITIATES EIGHT NEW MEMBERS

PAHOKEE — Eight new members were initiated into Beta Club, honorary society, Friday night at a meeting in the Pahokee school plant.

Pat Crady, Neely Johnson, Evelyn Prince, Freddy Blakey, Lori Ann Rockwell, Sandra Adams and Hunter Latham were accepted as new members. About 30 young people were present, with dancing following initiation and refreshments.

P. J. LORETI HIGH MAN IN FIRM'S SALES YR.

PAHOKEE — Peter J. Loreti was highest man of the 10 salesmen of Palm Beach Nehi Bottling Co. in its 50th anniversary year, the company announced this week. Loreti's record was an 86% increase in Glades sales.

New improvements at the Glades warehouse, at the end of Bacon Point Rd., Pahokee, have been completed, according to W. J. Harrell, owner of the West Palm Beach firm.

McKinney Named By Gov.

E. B. McKinney, Florida personnel manager for Southern Bell Telephone Company, has recently been appointed by Gov. LeRoy Collins to the new five-member Merit System Council. This council will review and make recommendations to improve personal administration in the state. McKinney will be remembered locally as former district plant manager for the telephone company in this area.

JRC MEETS FOR COUNTY IN BG

BELLE GLADE — The Palm Beach County Junior Red Cross met Tuesday in the activities room at the high school with representatives attending from Northboro, Riviera Beach, Palm Beach high, Central Junior high, Lake Worth, and St. Ann's schools as well as from Belle Glade.

Plans were made for Christmas activities of the JRC, including decorating the Palm Beach County Home and the veterans' hospitals. A movie was shown on the different activities of the county Junior Red Cross.

Following the business, the group was entertained with piano selections by Leonard Hightling Co. in its 50th anniversary year, the company announced this week. Loreti's record was an 86% increase in Glades sales.

New improvements at the Glades warehouse, at the end of Bacon Point Rd., Pahokee, have been completed, according to W. J. Harrell, owner of the West Palm Beach firm.

THIRD C-C COFFEE HOUR TO HEAR PIKE OFFICIAL

BELLE GLADE — The shock of hearing that the Ft. Pierce-Miami Sunshine State Parkway will cost \$12,000,000 less than in 1957 caused Chamber of Commerce Secretary Edwina Young to demand the source of these facts and nail him as the January coffee hour speaker.

Only a few hours after the December coffee hour, with County Commissioner Paul Rardin as speaker, Mrs. Young and her husband, George C. Young, heard David C. Eldridge, executive assistant to turnpike Chairman Thomas Manuel Eldridge addressed the West Palm Beach Rotary Club.

After his turnpike talk, Mrs. Young invited him to speak at the C-C coffee hour here Jan. 3, 1956. He accepted. The time will be 9:30 to 10:30 a.m. at the Palm Restaurant, sponsors of the next coffee klatch.

and Curtis Chase on the Sunday meeting, adopted a resolution asking the Palm Beach RDB to set up a Glades section. Wednesday night, after President Robert W. Lanier gave the Belle Glade C-C directors his report on Sunday's meeting, that group adopted a similar resolution.

On Tuesday, the RDB's industrial group, the manufacturer looking for a site, and Pahokee Mayor Lewis Friend, acting in his triple capacity as a representative of the city,

TAPING or TYING HOLIDAY SHIPMENTS

TAPING

TYING

NOTE: Use damp sponge to moisten tape — do not soak!

If you have a special problem see your Railway Expressman... he will be glad to advise.

Most Christmas shopping lists include gifts to be gathered and sent to distant friends and relatives. Here are some hints on getting them to their destinations safely, on time, and in perfect condition. The first thing to do, of course, is to ship early. Equally important, however, is the need to pack and tape or tie the shipments carefully and address them correctly.

Shipping them early enough to avoid the last minute rush presents no problem if gummed "Do Not Open Until Christmas" outside address labels are used. They may be obtained free at railway express offices. Unbreakable gifts, such as linens and textiles, weighing less than 35 pounds and otherwise properly protected, may be outer-wrapped in paper — but use at least two thicknesses of heavy wrapping like tissue or cardboard cartons in sound condition are always preferable. Grocery or other neighborhood stores usually are a good source.

Note when shipping in your local stores that you can save virtually anything as a gift, since express shipments can be any weight, size or shape. Properly crated, even pets and live animals are sent in great volume each year as holiday gifts.

It is worth remembering also that sometimes multiple gifts, in gifts that come in several parts sent to the same address may be protected best if packaged separately.

Pluffed strips of newspaper, used as suggested, make an excellent cushioning material to protect gifts from shock in transit. If the same carrier express shipments is exercised in preparing them for shipment, it can mean a "Merry Christmas" in every instance.

Every city with a paved runway airport is wanting this industry. Pahokee has the airport, which is not busy, and there is plenty of land. Housing in the Glades is another matter.

member of the RDB board conferred. The outcome of the conference, with this Glades on record for the Pahokee site, will not be known immediately. As one RDB industrial member put it, "ter."

POSTOFFICES —

(Continued From Page 1)

BELLE GLADE — needed until about the 15th of the month, however, according to Farnall.

The cooperation of the public is urgently requested in order to expedite delivery and dispatch of mail.

Christmas cards should be bundled separately for local and out of city mail. In addition, when there are 10 or more pieces to go to a particular city or state, it is requested that these be bundled separately. It will also be helpful if these bundles are deposited with the clerk at the window rather than dropped into the mail drop or the street letter boxes. Ask the clerk for form 1500 which will give material aid in tying your mail into bundles.

PAHOKEE — and packages early," Jensen asked the public.

He said that a good number of post office patrons are heeding the postal overland, and are mailing early to avoid the inevitable last-minute long lines at the windows.
